*Seemingly Meaningless Moments,
Have A Beauty of Their Own*

Daphne Long '90 200

As any
circumstances pass, any object in your immediate vicinity tends to give you a
possessing need for rest. In the wake of a parade any object within the
eye's reach inspires an overwhelming need for rest. You are possessed
by a need forced by any object in your vicinity after an auspicious
procession has passed. Whatever the object in your midst triggers in you
a need for rest as an auspicious procession passes by. As a parade
passes, any object in your vicinity will arouse in you a need for rest. Any
object in your vicinity will possess you with a need for rest after a parade
has passed. Whatever the object in your midst, it possesses you with a
need for rest as a ceremony passes by. Whatever object in your midst,
it is within you a need for repose which possesses you as a funeral
procession passes by. As an auspicious procession passes, any object in
your vicinity can stir within you an overwhelming need for repose. You
are overwhelmed by a need to rest that is triggered by any object in
your midst after a parade has passed by. Any object in eye's reach can
stir within you a possessing need for repose as a parade passes by.
Whatever the object in your midst, it is in you an overwhelming need
for repose that possesses you as a parade has passed by. The
immediate vicinity of any object arouses in you a possessing need for
rest after a parade procession has gone by. You are overwhelmed by a need
of repose that is inspired by any object within eye's reach, but a
parade gone by. Whatever the object in your midst, it is in you an
overwhelming by a need to rest that is inspired by any object in your
midst.
